

Meir Ezra Secret for Success Revealed

Meir's secret for success revealed:

"We have found the level from which to live successfully – Tone 40."

I believe that life is what I make it to be, always has been and always will be... Some people look and try to understand... try to understand why... I, on the other hand, love to dream, dream of new things, things that have never before been tried or realized and ask why not – this is [Meir Ezra](#).
